"Admittedly, I'm a bit of an anal freak and it's all my husband's fault. Before we were married, one night we got pretty drunk on champagne and started making out. Well, that led to us getting it on and after an hour of some heavy petting and great sex, he 'accidentally' slipped it into my butt hole.

Dear editor...

It all started when we were younger. Me and my neighbor grew up together. For a while, I would often go to his house and play video games. His mom was a nice woman, always offering me water and snacks. She was happily married but her husband was always at work and when he got home he ignored her.

Anyway, when we both turned 18, I noticed that my friend's mom would always kiss me on the cheek when I would say 'Hi.' A nice round bubble butt and nice big tits like melons and she was curvy as well. Anyway, I asked my friend if he would let me fuck his mom and said 'No,' so I kept asking and told him if she wants to 'yay' if not then no. So one time I caught her getting home with groceries and I helped her. She was so thankful. She was wearing like working out pants and a really tight white shirt. It went with her cause she was quite light skinned.

So she offered me water

Hi Guys and gals, I'm writing to thank you all for a totally cool look at my favorite adult star, Julia Ann. I remember first seeing her in a girl/girl scene with Janine Lindemulder where they fucked each other with ice dildos. That scene has stayed with me for all these years and I have followed both Janine and Julia Ann. But now that Janine has all but disappeared from the adult scene, it's good to know that Julia Ann is still at it. Even at her age. And she has aged very well. Yes, her body has ripened a little, but her face is still beautiful, but above all, she has not lost one drop of her libido. She is still sexxxxxxxing it up and that's okay by me!!!!

— Joshua B.

and I said yes. When she bent over and I took a glance her light skirt you can see her black thong. She comes and sits next to me and hands me the water and puts her hand on my crotch. She smiles and tells me my son told me you wanted to fuck me. I said "Well..." She told me eat me and I did till she screamed.

She stood up and took her clothes off and said fuck me everywhere in this house so we started in the living room she gave me head like no other. Sucked on it like a ice cream cone. She deep throat me and chuckled and left my dick covered with saliva. Then we went to the shower and did her up against the glass windshield.

Then to her room both of us naked and being dirty, she sucked my nuts then my dick. I fingered her and let her ride me. I kissed her on the neck and breasts while she rode my dick, her ass bouncing, her screaming. Then I fucked her doggie and she cried. I kept pounding it, but she wanted more so I went harder and faster We

Up to this day we fuck drunk and she likes my cock so much I visit her and she always ready to give me head. She was 28 and I was 18 now she's 35 and I'm 25 and my friend says keep my mom happy please and I tell him for sure every weekend

Casey R., Wichita

50+ editor...

Suzanne and I were best of friends in high school, but she went off to study nursing at the university and I stayed in town working at the local hospital as a Candy-Striper. I guess that kinda puts us in the same field. We saw each other at the local grocery store last summer. I did not know she was back home, so we went to a local diner to catch up on things. She told me that she had gotten married last year and apologized that she didn't invite me, or anyone else for that matter, because her husband wanted to get married in Vegas. So they found one of those little chapels on the Strip and tied the knot.

We decided to walk back from the store and stopped at a park along the way to sit under a big tree and cool off. We hadn't realized that it was well over 80 degrees, which is quite warm for here. I laid back to catch my breath and tried to cool off as Suzanne talked about how much she misses the home town.

We talked some more, caught up on old times and new times. She told me that her decision to marry was much too quick and how she was just starting to have fun at school until she met this guy. She thought he was going to be the one, but later found out he still had a home-boy mentality, playing video games and drinking with his college buds after classes. She felt that he was marrying her because he knew nursing would be a solid job for her and he could just ride along.

Hearing enough melancholy, I sat up and started waving the bottom of my short dress to try and cool off. Suzanne looked over and noticed that I wasn't wearing panties. I looked down and reminded her that she and I had discovered the freedom of going without them during our junior. And through the years had spent naked time together – after gym class in the shower, changing at the community pool, and that time we decided to show our bodies to our boyfriends. We laughed so hard at that, because we both chickened out and they guys were soooo disappointed. I told her that since then I was always going commando.

Suzanne got up and started walking away from our spot under the tree. I was confused for a moment, then got up to go after her. I asked if everything was okay and she just nodded. She adjusted her

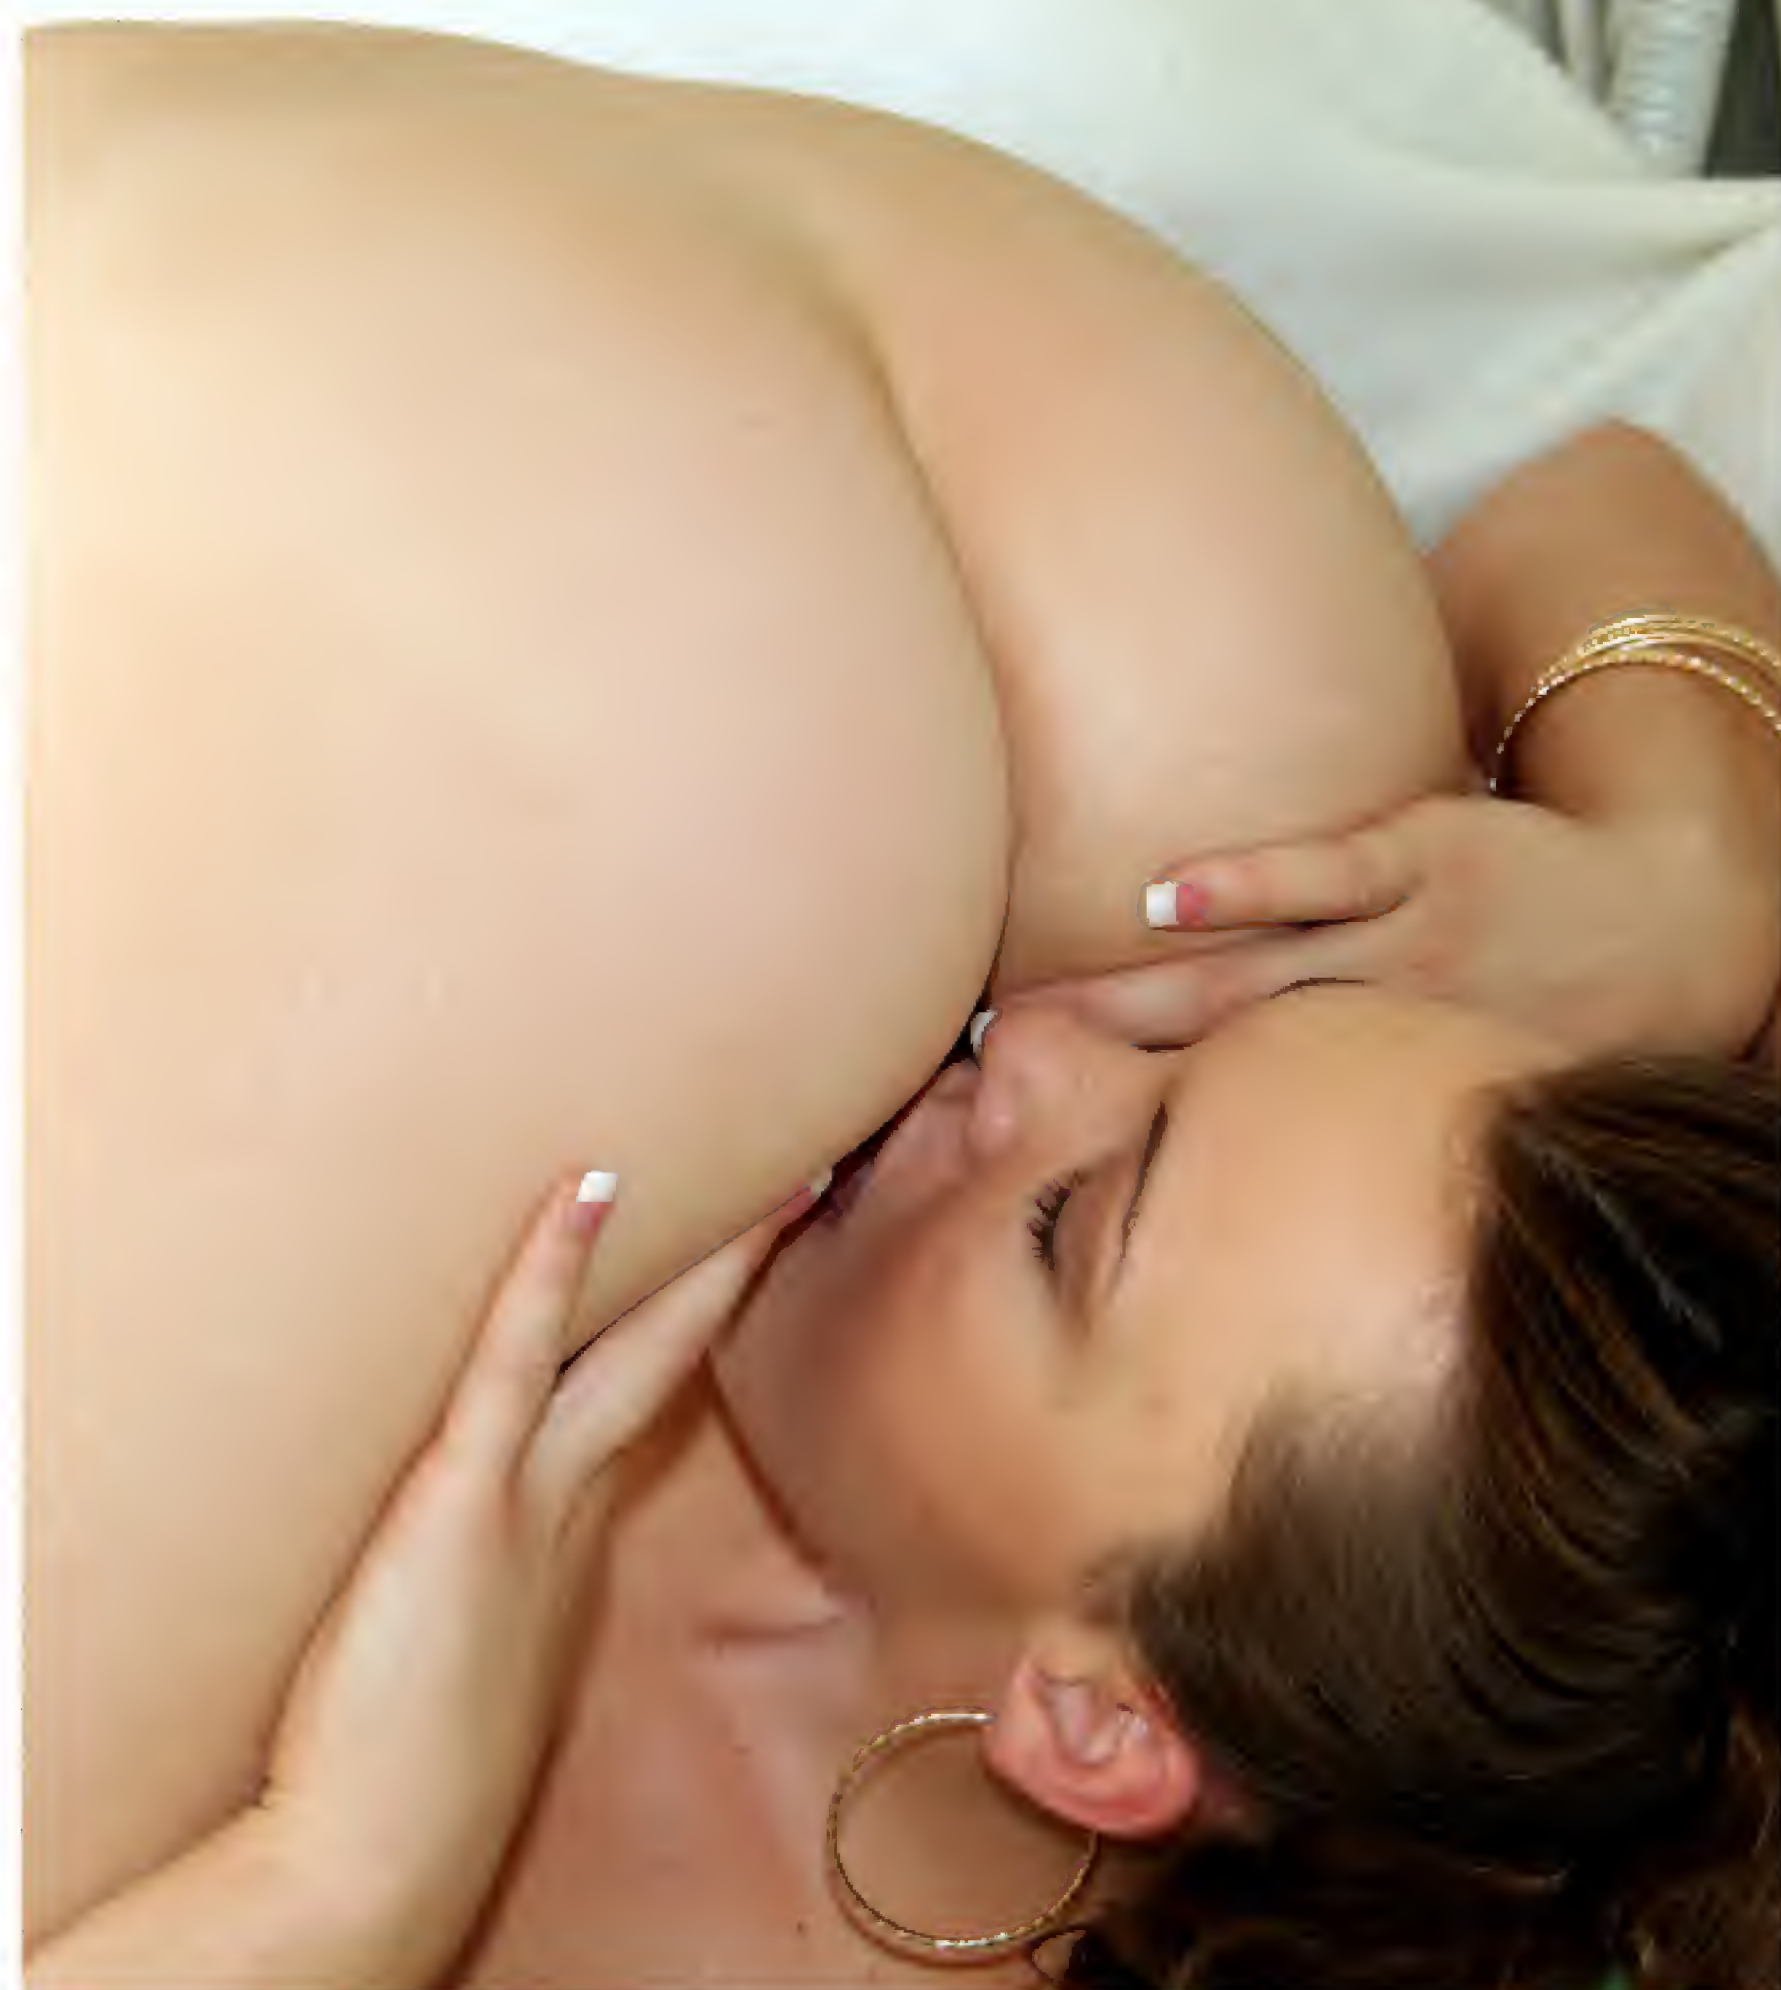

blouse from sitting and I noticed that she too was not wearing a bra. She reached out for my hand and I offered it to her. She lightly pulled me to another grassy patch under a smaller tree, but in a bit more secluded area of the park. Again we sat down and kept talking like high school girls. Partway through the conversation she started to talk about what a mistake it was to get married. That her husband was a jerk and she didn't want to go back and be with him anymore.

I felt bad for her and offered what consolation my words could carry. I touched her hand to reassure her all would be fine and she touched my forearm, then her hand started sliding up my arm. I got a weird feeling, and just froze right there. Her hand lifted my head and she started kissing my face. After a few soft pecks our tongues met, tentatively then passionately. I was starting to get really turned on. Her mouth was soft and wet, unlike anyone else that I had kissed, but there was something delicious to me about her tongue. My boyfriend was too rough for me sometimes. Maybe it's part of the male machismo but sometimes a woman likes it soft and slow. But now my head was swimming with the thought of becom-

ing more intimate with a woman. It was becoming more difficult to resist. Was she feeling the same or had she done this in college with other girls. But now Suzanne had me so hot I didn't care anymore.

Suzanne backed away and asked if I knew what I was doing. I said 'no, I didn't' and put my hand on one of her breasts anyway. Suzanne's were larger than mine and very firm. She took her blouse off and I cupped her right breast in my hands. I put my left hand under it and used my right hand to pinch and roll her hardening nipple. I traced the outline of her areola with my fingernail and it responded by puckering a little and pushing her nipple out even more. I leaned down and kissed it. I love it when my nipples are sucked, so I licked and sucked hers as I wanted mine sucked. Suzanne started clutching my leg. The harder I sucked the harder she clutched. Then she let go and took my dress straps off of my shoulders. I sat up and helped her take my dress completely off.

I was now naked except for my sandals. She was still in her skirt and so I helped her out of it, and then her panties. She pulled me close by grabbing my shoulders and leaned over to lick my small breasts, eventu-

ally taking one then the other completely into her mouth. The feeling that washed over me from the way her tongue slid over them while they were in there was incredible. She sat up and we started kissing again. We pressed our breasts together.

I tightened my arms around her, and she started kissing my neck and chest. Her hand slid down my back, found my leg and made its way up my thigh. I turned my body, and opened my legs to give her access to my wet pussy. Her fingers played around the lips for awhile, then went up to my clit. I was glad her mouth was over mine, because the squeal I let out would have surely been able to be heard back in town. She pulled her lips away to watch my reaction to the circles her fingertips were making around my protruding clit. Suzanne smiled and laid me back so she could straddle me.

She put her tongue in my mouth and started kissing her way down. I could feel her nipples dragging along my body along the way, which tickled me. She finally reached my clit, and I was on my way to climax.

Her tongue explored inside me, then she sucked my clit and let a finger find its way into my pussy. She slid another finger in and let them play around. She pulled that wet finger out and began playing with my puckered back hole and I clenched my ass cheeks hard around her back there.

When I caught my breath I asked if she wanted me to go down on her. She didn't answer. She sat up and straddled my face. I tipped my head back and she put her pussy right on my mouth. I felt her wetness on my lips, like a moist kiss from a warm mouth. She was completely shaved and her pussy was smooth and tight. I

put my hands behind on her butt and pulled her hips hard onto my mouth. I parted her pussy lips with my tongue and started licking inside her, imagining my tongue was a hard cock fucking her. I thrust them in and out while my fingers clenched her butt cheeks. She moaned and grinded her pelvis down on my mouth.

I fell back and pulled her down with me so she landed on her knees, pussy still buried in my face. She lifted a leg over me and swiveled her body so we were now in the 69 position. We each ate the other's pussy with a lustful fervor that, to a stranger, must seem like we had never been fucked. We came together and sat up, kissing with tongues tasting our cum juices from each others climax.

Just then we heard a loud machine headed our way and I shouted over the noise that it was the grass cutting tractor. We gathered ourselves and headed back to my house for more.

If you guys like watching great sex with a beautiful mature woman, then look no further, but do look deeper. I'm about to teach this young wanna-be stud a lesson or two in adult love. If he thinks he can keep up with me, then he's gotta prove it by getting me off. What do you think?

Will he do it? Believe it or not, I give him an A for this fuck if he can.

Payton

My only complaint would be if he could have been a little bigger to fill my 50+ pussy, but I really won't hold that against him. Check out the video and let me know how you think he did!

it's not the size of the ship, it's the ... motion of the ocean

*I WAS LOOKING FORWARD TO A NICE RELAXING TRIP ON THE QE2,
BUT SOMETHING GOT IN THE WAY. AN ANONYMOUS MAN WITH A VERY LARGE DICK*

As I took my newest husband to visit the QE2 now harbored at Long Beach, California, I reminisced about a little anonymous affair some thirty years ago. I was traveling to Europe with my little brother. I was twenty-two and he was twenty. We were in New York and had decided to book the Queen Elizabeth 2 to England, and from there we were going to nation-hop across the European continent together.

It was on a Sunday afternoon that we were to sail and so we got there early in the morning to be sure we got on board without any hassles. The ship was huge, but we managed to find our way, get settled into our stateroom and go back up on deck to see her sail out of New York Harbor. She was awesome, so big you had to step way back in order to get the whole ship in one photograph. And I couldn't believe how crowded it was at the port! It was said later there were more than 10,000 at the dock to see her off for her tenth anniversary. I was there with my brother Frankie who happens to like guys, so naturally we were check-

ing out all the men in there. We usually have the same taste you know. Most of them didn't merit a second look. But there was this one guy who looked so fine! He was probably six foot tall with long dirty blond hair that was a bit disheveled, and he had a great body. Frankie and I had

a long discussion about him, all without him knowing, of course. I argued I preferred a tall one over a guy who smoked, but he said he wouldn't turn Warren Beatty if he knocked on his door holding a cigarette. Well, I wasn't too fond of Warren, too handsome and he knows it. Just ask Carly. And I just hate kissing an ashtray!

Like almost everyone else we were waving at the landlubbers as the ship prepared to depart. Suddenly felt another body pressed up hard against my

back. I wanted to turn my head to tell whoever it was that this wasn't necessary, but I couldn't because a big hand was covering my mouth, then a strong voice whispered in my left ear: "Don't say a word, don't look, just feel me..." It gave me the shivers, I can tell you that! I felt something

As the ship's engines started up and the whole deck vibrated, I felt his roving hands find my breasts underneath my blouse and he started kneading them.

hard press against my ass, and two hands go around me. He let go of my mouth but I couldn't even scream. I felt petrified. Startled, I looked to see if Frankie had noticed, but he was standing further down the railing engaged in an animated discussion with some cute guy he probably just met. Everyone's eyes were on the dock and so nobody noticed us. I'm embarrassed to say I didn't cry out right then and there, but the truth is I really liked that feeling, to know this guy was so turned on and apparently wanted me!

As the ship's engines started up and the whole deck vibrated, I felt his roving hands find my breasts underneath my blouse and he started kneading them. I wasn't wearing a bra (it's the Seventies, you know) and the touch of his fingers on my nipples almost sent me over the railing. I couldn't help leaning into his hands and moaning silently, nipples suddenly erect and hard. I threw my head back and hit his chest but couldn't stifle a soft scream. My hands were pinned at my side by his arms, but I was able to move them back to find his crotch and feel a huge hard on through his pants.

He stopped me by pressing his body hard against mine, pushing me up against the railing. "Not now," I heard a husky voice in my ear as he started nibbling on my earlobe and kissing the base of my neck. One hand left my breast to go to the

inside of my thighs, pushing them a little apart. He pulled the back of my loose skirt up, and I felt my pussy moistening. My excitement level was rising quickly! His hand found my little love center, by that time dripping wet. He pushed my

thong aside as he explored my little nub and then went in deep with two fingers.

Oh, I couldn't believe how excited I was... it was a good thing he held me up or I would have fallen for sure. My belly was hard against the cold railing, his hard cock against my buttocks and his hand was massaging my insides as I couldn't help but shiver with pleasure. I had to bite my lips not to scream as I came in this anonymous manner I never could have imagined. As I leaned hard against the railing, I heard a zipper unzip as he pressed harder and kissed the base of my neck. His two hands

were on the inside of my legs again, holding them apart, lifting me up. I felt something hard press up against my pussy lips and I opened them up for him. It was as if I had no will of my own... putty in his hands. I felt my pussy muscles stretch as he lowered me over his cock, one inch, two, until he was all the way inside me.

Slowly the QE2 pulled away from the dock but all the people on the dock and decks were still waving. It was all I could do was steady myself against that railing when he started to move in-

I feel the sweet pain and pleasure as I push my hips back against him and force his cock deeper into my brown hole.

side of me. I think I lost it right away, he was so deep and big around! His hands moved to my hips as he thrust his cock into me time and again. I felt myself shivering around his big stake, writhing as I came once again. With every roll of the ship on the waves he thrust his big cock deep inside me all over again. I couldn't believe it but I was suddenly on the brink of another orgasm. I was helpless, could do nothing but respond to his increase in power and speed.

I could feel his huge cock grow even bigger as I felt the climax hit me again. Simultaneously it seemed the QE2 came, her ship's horn deafeningly loud, vibrating deep within me. He pulls out of me with his cock sticky and wet from my pussy and eases it into my anus. I screech as the tip of his cock penetrates my ass hole, but he was expecting it because his hands were at the ready to cover my mouth.

I had never been fucked in the ass before. Many a boyfriend tried to get me to do it, but I always resisted. Now, there is no resistance. I cannot say no. He will not allow it. He will take me and do with what he's doing, pushing his cock deeper into my butt. I feel the sweet pain and pleasure as I push my hips back against him and force his cock deeper into my brown hole. I cannot believe that this whole time my brother has been preoccupied and not even glanced my way. But that is the way it was meant to be. I try again to reach back and he allows it. I grab his cock and

squeeze it hard. He flinches and trusts deeper and hard into me. I push my hands past his cock and into his jeans and find his balls. They feel huge in my hands as his cock feels even bigger in my ass. I maneuver my fingers to pull them out of and play them hard as his thrusts into my ass become faster.

I squeeze the place where his cock and balls meet squeezing the jizz tube and running my hands along the shaft until I milk out a huge squirt deep into my ass. I stroke his cock and balls to get out every drop. I squeeze my butt muscles as he pulls out, leaving all his fluids inside me. I feel his final exit and with a second I hear a zip and my skirt falls back in place.

Once again his hands cup my face from behind as I hear him whisper into my ear, "That will teach you not to talk behind my back!" I felt all contact disappear and I tried to turn around but my knees were like Jello, and it took me a while to recover. I looked around for him but he was gone. All I saw was a mass of humanity waving and bobbing on ocean swells as if in slow motion.

I tried to focus on nearby faces as I wondered if they knew. If they sensed that which just happened. In the distance I saw the tall man with long hair and jeans walk away. I chose not to follow because we would all be on this same ship for the next ten days. He will know who I am, but will I know him?

Diana says she loves animals, nature, fast cars, classic black-and-white movies, porn, and of course, lots and lots of sex. When she's not fucking on camera, she says she likes to fill her weekdays and weekends with pussy-stuffing cocks. And the bigger, the better.

Diana

She says she has no preference to older or younger men as long as they have the man-meat and can keep up with her. Now, we think that may be a formidable task.

Lovely 'Lina. That's what they used to call me. I'm very sexual and love all kinds of sex with all kinds of people. A lot of guys and girls hit on me when I doll up and look like a celebrity. I've taken advantage of that a few times – for fun.

Evelina

I'm very picky when it comes to whom I'll sleep with. I don't care what kind of car he drives, or even if he's not in the best of shape. All that matters is that I want to suck his cock and then have it inside me. I especially love it if a guy brings me flowers. If you do that, you'll get my pussy every time. Guaranteed!

I'm still quite adventurous
